ICAK DÄGAK 30YEARS INTERNATIONAL MEETING 2027
3-5 June Munich, Germany

"Respect the Legacy, Allow Progress"

Dear colleague, please consider participation in the Annual International ICAK-Conference in Munich from June 3rd-5th 2027.

Under the slogan „Respect the Legacy. Allow Progress.", we invite all professions, which use Applied Kinesiology, to Munich. A great opportunity to share knowledge, communicate with each other, meet old and new friends.

Although Berlin has been decorated with modern splendor, Munich still is considered by some the "secret capital of Germany" due to its multitude of museums and royal history. Munich is the second largest airport after Frankfurt with many direct international connections.

We chose a great venue, the "Literaturhaus" in a central location, which will offer us all the necessary facilities for our meeting. Make sure that you arrange your own hotel booking. Munich offers very convenient public transport services (metro, train from the airport to Marienplatz, buses, tramways).

Please submit your proposed presentation to the following email address: PAK@DAEGAK.de
Deadline for submission will be Feb. 1st, 2027

Use this Word- document for your submission, with all the necessary data completed. Thank you so much for you attention and your cooperation to make this meeting a great success.

The main language of the conference will be English, German optional.

Simultaneous AI-translation will be provided.

Yours, the organizing committee of DÄGAK
